**SERVICE LINE NOTIFICATION
DELIVERY CERTIFICATION**

Water System Name: JerichoUnderhillWaterDistrict

WSID #: 5096 Number of Service Line Addresses Notified: 145

The federal Lead and Copper Rule (Revisions) (40 CFR 141, Subpart I) requires all water systems with lead, galvanized requiring replacement (GRR), or lead status unknown service lines in their inventory to inform all persons served by the water system at the service connection with a lead, GRR, or lead status unknown service line. If a water system's initial service line inventory includes a lead, GRR, or unknown material service line, then the water system must notify affected customers by November 15, 2024.

What to Submit to VT DEC: Water systems must certify to VT DEC no later than July 1, 2025 that they have delivered the initial notification and educational materials to affected customers. As new customers connect or start service with the water system, water systems must also provide notice at time-of-service initiation.

NTNC systems, other than schools and childcares, may reach all users via posting. Schools and childcare facilities that are also NTNC water systems must submit, by email or US Mail, notification documents to all parents and staff at the facility. Community systems need to deliver to all users by other means and additional efforts to reach sensitive populations as explained on the instruction page.

Delivery Method(s) and Date(s):

- Hand or Direct Delivery on _____
- Notification via US Mail posted _____
- Email (see special instructions) on 11/15/2024
- Notices sent to parents & staff via email or US mail (NTNC schools only) on 11/15/24
- Posting in a conspicuous location (primarily NTNC systems; describe below) on juwater.org
- Other (describe) FrontPorchForum on 11/15/2024

I certify, as the responsible person (or authorized representative) of the water system indicated above, the notification has been provided to all customers with leaded or potentially leaded lines, in accordance with the delivery, content and deadlines of 40 CFR 141.84 & 141.85.

Certification by the Administrative Contact or the Water System Operator:
