RECEIVE DATE: July 28, 2004  
REPORT DATE: August 23, 2004

The following analyses were performed by a certified subcontracted laboratory. Different groups of analyses may be reported under separate cover. Enclosed please find the original subcontracted laboratory report.

As a reminder, the Vermont Agency of Natural Resources Water Supply Division requires that all permitted water systems submit a copy of all reports including this subcontracted laboratory report to their office. If you are a permitted water system with an assigned WSID number, a copy of your results have already been forwarded to the Water Supply Division.
