Action Limit

Date/Time Received 07/07/2005 11:36:00

Date/Time of Collection 07/07/2005 09:40:00

Town Underhill

Collected By MARC MAHEUX

Sample Location UNITED CHURCH

Field Sample Number

Date Reported 07/08/2005

Test	Code	Result Description	Method
MMO-MUG	00	Total coliform not detected, E. coli not detected	

Comments:

Registry Comments:

The water sample tested is bacteriologically suitable for drinking (potable). IMPORTANT: Bacteriological testing of a single sample of water is only one means of determining the suitability of water for drinking. It is also critical that the water source location, system construction and ongoing maintenance/treatment are adequate to consistently protect against bacterial contamination.

Results relate only to the items tested. This sample was not analyzed for possible chemical contamination.
